

CALABRIO QUALITY MANAGEMENT

Move the contact center forward—every day, every interaction.

HOW THE BEST GET BETTER

Customer experience leaders know there's no such thing as "good enough." Calabrio Quality Management gives you the smart tools to quickly and continually uncover what you can improve—and effectively drive and measure that improvement. Automate evaluations to examine every single interaction across all channels—and free managers to focus on targeted coaching and training. Give agents the immediate feedback they crave—and inspire healthy competition. Let the voice of the customer move your contact center forward—and make the most of every customer interaction.

MONITOR

Automate reporting and save admin time.

Spend less time aggregating the data.

Spend more time acting on the data.

Automatically evaluate every interaction—no matter the channel. Deliver omni-channel experiences customers demand. Ensure consistent, outstanding quality—every time.

Increase adherence and ensure compliance.

Monitor interactions for adherence and compliance with PCI, HIPAA and other regulatory requirements. Leverage auto-pause and advanced data security to keep protected information secure.

The Tools to Drive Continual Improvement

CAPTURE AND MONITOR

See every interaction.

100% Call Recording

All the features of Calabrio Call Recording are included with Calabrio Quality Management.

Screen Capture

Agent desktop visibility for a holistic view of each interaction.

Record-on-Demand

Agents can flag calls for recording in real time, including at the end of an interaction.

Rule-Based Contact Selection

Apply specific business rules to flag interactions for recording and evaluation.

System Error Monitoring and Alerts

Automatic alerts for potential system errors.

Pause and Resume for Compliance

Manual and automated pause and resume options support PCI, HIPAA and other compliance efforts.

Live Screen and Audio Monitoring

View agent desktop activity while monitoring live calls in single, unified view.

Efficient Organization and

Metadata Tagging

Interactions are intelligently categorized using powerful metadata tagging.

Secure Storage and Playback

Customer interactions are compressed and encrypted using end-to-end 128-bit AES encryption. Playback can be restricted based on user credentials.

The Tools to Drive Continual Improvement

EVALUATE AND ANALYZE

Faster, more accurate quality evaluation.

Library of Pre-Built Forms

Select from multi-part, mixed-response type, multi-channel, section-level weighting, question-level weighting, evaluator hints and KPI questions.

Post-Call Surveys

Integrate post-call customer survey results with other QM metrics.

Secure Storage and Playback

Customer interactions are compressed and encrypted using end-to-end 128-bit AES encryption. Playback can be restricted based on user credentials.

Customizable Dashboards and Reports

Clear dashboards and easily modifiable reports provide simple displays of quality metrics for individual agents, teams and groups.

Unified Playback and Evaluation

Audio and screen recordings are combined with evaluation forms in one unified window.

Advanced Search Capabilities

Granular searching using powerful, customizable metadata.

Data Export

Recorded calls can be exported—individually or in bulk—in common media formats (WAV, WMA, WMV) for sharing with stakeholders across the enterprise.

Analytics-Driven Quality Assurance

Integration with Calabrio Analytics leverages advanced analytics tools to optimize the quality evaluation process.

The Tools to Drive Continual Improvement

ENGAGE AND MOTIVATE

Deliver timely agent feedback and inspire self-improvement.

Personalized Agent Dashboards

Agents can track their evaluation scores through a simple dashboard.

Customized Agent Feedback

Agents receive feedback and performance metrics including evaluation scores.

Gamification

Built-in gamification tools create agent and team competitions. Display leaderboards, award badges and incentives based on performance.

Coaching

Focus coaching efforts, target training initiatives, and improve effectiveness.

SEAMLESS INTEGRATION— PAINLESS IMPLEMENTATION

Implementing new technology doesn't have to be painful and time-consuming.
Calabrio Quality Management makes rollout fast and cost-effective.

BEST-IN-CLASS INTEGRATIONS

Synchronized integrations with the leading IP-PBX/ACD platforms.

LOWER TOTAL COST OF OWNERSHIP

Flexible architecture, storage and pricing options enable customization for your needs and budget.

LOWER INFRASTRUCTURE COSTS

Leverage existing database resources and storage—no server software fees.

FASTER USER TRAINING

A modern interface and intuitive workflows bring agents and managers to a high level of proficiency in hours—not days or weeks.

CHOOSE YOUR DELIVERY MODEL

Get the contact center quality management solution you need, in the deployment model that best suits your infrastructure and plans—without sacrificing functionality, security or flexibility.

Innovation Center

Your connection to established best practices as well as fresh thinking and emerging strategies from the leading edge.

BUILD A MODERN CONTACT CENTER— TRANSFORM YOUR BUSINESS

Calabrio Quality Management is part of Calabrio ONE—a complete Workforce Optimization (WFO) suite revolutionizing the way enterprises engage their customers. Calabrio ONE includes call recording, quality management, workforce management, multichannel voice-of-the-customer analytics and advanced reporting. The suite records, captures and analyzes customer interactions to provide a single view of the customer and improve the agent and customer experience. It is the only fully multi-tenanted cloud WFO solution on the market.

Call Recording

The clean and simple way to capture every customer voice—across every channel. Create a unified view of the customer, see the big picture with new clarity and leverage comprehensive voice-of-the-customer data to drive key business objectives.

Quality Management

Highly automated and efficient evaluation of 100% of your customer interactions. Shorten feedback loops and target training to drive better agent performance that directly improves customer satisfaction.

Workforce Management

Smart forecasting, scheduling and admin tools that drive elevated WFM strategies. Efficiently predict and respond to dynamic customer call volume and deliver a consistently outstanding contact center experience.

Calabrio Analytics

Sophisticated speech and text analytics engines that harness the voice of the customer—and intuitive outputs that bring that data to life. Leverage predictive and prescriptive insights to deliver value to sales, marketing, IT, product development and business development teams.

Advanced Reporting

Amazingly integrated reporting and analytics tools that integrate customer and business data from across the organization. Break down data silos, eliminate tedious reporting, visualize critical metrics and see the full story your data tells.
